

The STEP Conference will be held March 10-11, 2023 with a preconference on March 9th at the Hilton Garden Inn at College Town, 30 Celebration Drive, Rochester, NY 14620.

This year we are working with Vigilant Fire Training to provide a dedicated fire-related track in addition to the educational offerings for EMS, first responders and others interested in public safety and health-related issues as STEP has done in past conferences.

Plenary speakers include EMS Medical Director Dr Jeremy Cushman, ED Physician Dr Maia Dorsett, Pediatrician Drs Art Cooper, Elizabeth Murray & Elise Vanderjagt, & Mark Strzyzynski, retired chief from Henrietta Fire Department.

A dedicated fire track features interactive and scene management workshops. The EMS tracks include workshops on pediatrics, geriatrics, and trauma among other interesting topics.

As in past years, the vendor area will be open from 7:30am to 4pm on Friday, while on Saturday, the vendor area will be open until after lunch. For the full conference, including breakfast and buffet lunch both days, plus the usual breaks, and coffee all day both days, the fee for attendees is only \$205 if registered by March 1st. Additional pricing for a single day or for the preconference can be found on the registration site. Parking in the garage is free in the hotel parking spaces in the garage.

For attendee registration or information go to:
